

**Looking for a running partner?**

Email details for a running partner (what area of town, how fast, time of day). Don't forget to include your email.

If you are interested in joining anyone on this list for a run, contact them at their email address.

Running partner wanted:

I am looking for someone to train with, I am NOT a runner but very much want to become one. I don't have the know how on how to begin...so I'm looking for someone willing to help out & become running partner. I live in the Mt.

Washington/Shepherdsville KY area. Would have to work out weeknights and weekends. PLEASE email me: [bemom2009@aol.com](mailto:bemom2009@aol.com)

Oh by the way, I am a 40'ish yr old female, willing to give 110%.

Don't forget Fleet Feet has group runs from the store every Wednesday at 6:00 p.m., Saturdays at 7:00 a.m. and 8:00 a.m. We'll open the store to store your gear, etc. Varied paces and distances.
